## Free FHBA Member Benefit

No one likes to leave money on the table. So, what would you think if you could get a rebate for your loyalty to many of the nation's leading housing industry product suppliers? Well, now you can!

We're happy to introduce the FHBA Member Rebate Program, aimed at increasing your bottom line. For the minimal effort of informing us about the home construction products you use and when you complete a home or project, you'll be putting money back in your pocket. Both Builder and Remodeler companies, no matter how large or small, qualify for the program. When you participate in the program, you can count on receiving checks every quarter! **Please note:** Program is only available to current FHBA Members.

You can claim for all homes, remodeling projects or multi-family units completed from July - December, 2012. No receipts are necessary (except for Progress Lighting) to process the rebates as we utilize Manufacturer salespersons to verify the information through their distribution. This makes the paperwork simple and requires minimal time.

**The deadline to submit is February 20th, 2013**
