If an applicant does not submit required documentation within sixty (60) days of receipt of application, membership will be declined. Membership dues will be refunded**, less a \$100 processing fee. ** Dues are not refundable after approval of membership** Dues payments to the Builders Association of South Florida are NOT tax-deductible as charitable contributions for federal tax purposes, but may be deductible as an ordinary and necessary business expense. Your dues for annual membership to Builders Association of South Florida include \$182.00 for membership in the National Association of Home Builders, and \$85.00 for membership in the Florida Home Builders Association. NAHB estimates that the non-deductible portion of national dues - the portion applicable to lobbying - is 11%. Thus, for a member who pays their NAHB dues of \$182.00, 11% or \$20.02 is not eligible for deduction as a business expense. The non-deductible portion of your FHBA dues is 46%. \$10.00 of your dues for membership in the Florida Home Builders Association is allocated to the Florida Home Builders Political Action Committees. This portion of your dues is non-tax deductible as a business expense. This allocation is optional. If you do not want any of your dues allocated to Florida Home Builders Political Action Committee, please indicate so and this will be retained in operating funds. Please DO NOT allocate any of my dues to Florida Home Builders Political Action Committees. \$50.00 of your dues for membership in the Builders Association of South Florida (BASF) may be allocated to the Builders Association of South Florida Political Action Committees. Alternatively, you hereby acknowledge and agree that such PAC amount may be retained and used as part of the BASF general operating fund. By attending any and all BASF events or meetings, or by becoming a member, I agree that I may be photographed from time to time. I expressly allow BASF to post these images to any and all of their electronic media accounts for promotional purposes only. The BASF sites would include but are not limited to the BASF Facebook, its official website, its LinkedIn and Twitter accounts. I release BASF to use my image on the internet to promote the organization's goals and purposes.
